For those wanting to get a real understanding of somewhere worldwide, merely relying solely on tariff, association membership or star ratings does not necessarily provide an accurate perception of a place.

theExplorateur's comprehensive approach and unique ratings process guarantees a complete appraisal of why to stay in a particular hotel, eat in a restaurant or visit a shop or store.

theExplorateur wants hotels and their PR representatives to ensure that info@theexplorateurportfolio.com is on their distribution list and to submit information on regular basis.

Personal experience with each property

What really distinguishes *theExplorateur* portfolio is its exclusive offers, and the team's personal experience with each property.

theExplorateur reviewers dig deeper to unearth an intimate knowledge of a property.

This lends itself to honest reviews, and expertly qualified feedback for our readers.
